ESCAPE TO YOUNTVILLE

Up to five couples will be whisked by private jet from Los Angeles Van Nuys Airport to Napa Airport where you will be greeted and transported via two limousines to the luxurious Bardessono Resort & Spa located in the culinary capital of Napa Valley...Yountville

Arriving at California's only LEED Platinum certified hotel, each couple will check in to their one bedroom Tufa Suite. Join the hotel General Manager and Mr. Ryan Hill of the Hill Family Estate Winery for a private tasting and reception in Lucy's Garden. Each couple will enjoy a case of Hill Family Estate wine to be shipped home.

After your tasting, you will be escorted to the Private Dining Room. Indulge in your own space and enjoy a six-course menu paired with wines exclusively by Bardessono executive chef Sean O'toole.

Wake up on your first morning and enjoy brunch at your leisure, either in your suite or in the Restaurant. After brunch, relax with a couples massage or perhaps a facial in the Spa. Two spa treatments per person are included in your package.

Join Chef Michael Chiarello's culinary dream team for a custom dining experience at Bottega's Chef's Table. The five-course tasting menu reflects the day's freshest ingredients and the chef's inspiration. All courses are paired with exquisite wines specially chosen by Bottega's Wine Director.

Take home an autographed cookbook.

Rise Sunday morning at your leisure and walk to the Bouchon Bakery. Relish in fresh coffee and classic French pastries before you depart by limousine to your private jet.

Our desire is to relax, inspire, surprise and excite you.
